

So long ago , so clear

Once we did run
How we chased a million stars
And touched
as only one can

Once we did play
How the past delivered you
Amist our youth we dreamed
away away

As if I knew the words
I'm sure you'll hear
Of how we met as you recall
So clear

Once we did love
Long ago how did I forget
Holding you
So closely

Look how I move
Chance would have me glance at you
To know how you move me

Me
All barriers all around us
As we hear
Of memories know
And better so long ago
So clear

Once we did run
How we chased a million stars
And touched
As only one
Can
